

The 'Kill Bill' Guide : Where and when to comment on the Arizona legislative process

Be on the look out for:

Fast tracking: identical bills can move through house and senate concurrently. Bill will be written as two bills, with HCR and SCR prefixes for house and senate. Comment on both.

Striker or Strike Everything Amendments: A bill can come back from the dead or a new bill introduced as an amendment to a bill that passed committees, replacing the text of the bill that is being "amended". This essentially circumvents committees. In this case, proceed to call legislators and get public attention.
